Hi there,

I have paid you this morning by Internet Banking & it will show in your account by tomorrow morning. Please find enclosed as an attachment, a bank printout of payment transaction. Adam and I would like to thank yourself and Adam for a job well done. We are very pleased with our carpet and the manner in which both the arrangement and project itself went. A big pat on the back to Adam who worked diligently & very professionally. We will certainly be recommending Dallison's to anyone looking at buying and installing carpet. Thanks so much!

Best Regards
Adam and Jules Jessop
