So Tony; Godfrey Alist Carpets
and
Brent Dallisson; C.C. Dallisson
Wareley.

As a family we wish to express
our thanks to both of you
for the calm, honest and
professional manner in which a
problem, which was not of your
making, was resolved.

We have known C.C. Dallisson Ltd
over many years, both father and
son, and it is a relationship
which we value. Sharkey's Store.

Godfrey Alist is a little more
recent acquaintance, but we have
been greatly impressed by the
straight forward approach to the
situation and the sheer common
sense and decency.

No Yony.
Needless to say, we are
delighted with our (now stainless)
carpet, and will surely place
further custom in your direction
when the time comes!

Once again - Thankyou
both
